Fifth Sunday in Ordinary Time

GOD SUMMONS

Confronted with God's power and majesty, the first response of the prophet Isaiah was to acknowledge his sinfulness. "Woe is me, I am doomed!", he said aloud. Likewise, with his empty fishing nets dramatically filled at Jesus instruction, Peter fell to his knees and cried out, "Depart from me, Lord, for I am a sinful man." Next, Peter got up, docked his boats, then left to follow Jesus. Isaiah also had a dramatic change of heart. When he heard the Lord say, "Whom shall I send? Who will go for us?" Isaiah answered, "Here I am, send me".

We are summoned daily by the Risen Lord. We are reminded of the saving power of the gospel and know that believing in anything else won't lead to anything. What will it take for you to move past your sinfulness? What will it take for you to get off your knees? What will it take for you to accept your call to be God's messenger?

From the Office of the Bishop

Statement from Bishop Frank J. Dewane Responding to "No-Limit Abortion" Law in New York

Let us be reminded that all Life begins at the moment of Conception, which for Catholics is not in dispute despite any new laws such as the recent law passed in New York State and introduced in the Virginia State Legislature.

Regarding abortion, the Catechism of the Catholic Church states: "Human life must be respected and protected absolutely from the moment of conception. From the first moment of his existence, a human being must be recognized as having the rights of a person - among which is the inviolable right of every innocent being to life. Since the first century the Church has affirmed the moral evil of every procured abortion. This teaching has not changed and remains unchangeable. Direct abortion, that is to say, abortion willed either as an end or a means, is gravely contrary to the moral law." (2270-2271)

This should remind us that the killing of an innocent child through abortion is abhorrent. It is natural to want to speak out about such egregiousness, but first all are called to pray for an end to the scourge that is abortion. Pray also that our legislators and judges at the state and national levels stop celebrating laws that will end the life of a child.

If you disagree with laws such as the one recently passed in New York State, please write to your state and federal politicians to share your thoughts, disagreement and disgust on this critical issue. Meaningful change pertaining to this matter will not come until all stand together to give a voice to the voiceless, the vulnerable unborn children who in some places can now potentially face death up until the moment of their birth.

RYM ... FRIENDS OF FOSTERS

Resurrection Youth Ministry sees that there is a need to help the growing number of foster children in our community! Many of the children are placed with a foster family with only the clothes they are wearing, or their belongings in a garbage bag. We would like to help them have a little comfort in having some personal items of their own that may make the transition a little easier.

Each age appropriate package will contain a prayer book, toiletries, journals, coloring books/crayons, a blanket, stuffed animal, and socks. It would be great if each package was in a travel bag that they could call their own!

**THROUGHOUT THE MONTH OF FEBRUARY
WE WILL BE COLLECTING LIGHTLY USED
BACKPACKS and DUFFLE BAGS**

Your generosity in donating and continued support of
our Ministry is greatly appreciated!

WOMEN and HEART DISEASE

- Heart disease is the leading cause of death in women
 - High blood pressure, high LDL cholesterol, and smoking are key risk factors.
 - Other risk factors: obesity, diabetes, poor diet, physical inactivity, excessive alcohol.
- Heart attack symptoms range from sharp chest pain, tightening in chest, neck, jaw, shoulder, upper back, or abdominal discomfort, shortness of breath, pain in one or both arms, nausea, sweating, dizziness, unusual fatigue.

All women are at risk for heart disease. But becoming aware of symptoms and risks unique to women, as well as eating a heart healthy diet and exercising, can help protect you!
