## **BLESSED**

When we think of the word Beatitude we think of today's discourse from Luke's Gospel, or the more familiar one from Matthew (which begins Blessed are the poor in spirit . . . ). Actually, beatitudes occur throughout the prophets and Gospels. Today in Jeremiah (with an echo in the psalm) we hear, Blessed is the one who trusts in the Lord (Jeremiah 17:7). Following his resurrection in John's Gospel, Christ proclaims, "Blessed are those who have not seen and have believed" (John 20:29). The evangelists placed these sayings throughout the Gospels as short reminders about the characteristics one will find in a follower of Christ, characteristics that will help spread the Good News in this life and lead to eternal blessings in the next. In Latin, the saints are called the Beati, the Blessed, for they are the ones who lived the blessed life as described by Jesus throughout the Gospels. How blest are we, when we also strive to make our own days a living beatitude!

**Resurrection Youth Ministry** sees that there is a need to help the growing number of foster children in our community! Many of the children are placed with a foster family with only the clothes they are wearing, or their belongings in a garbage bag. We would like to help them have a little comfort in having some personal items of their own that may make the transition a little easier.

Each age appropriate package will contain a prayer book, toiletries, journals, coloring books/crayons, a blanket, stuffed animal, and socks. It would be great if each package was in a travel bag that they could call their own!

The charming real-life fairy tale of an American secretary  
who discovers she has been chosen king of an impoverished fishing village on the west coast of Africa.

*King Peggy* chronicles the astonishing journey of American secretary, Peggilee Bartels, who suddenly finds herself king to a town of 7,000 people on Ghana's central coast, half a world away. Upon arriving for her crowning ceremony in beautiful Otuam, she discovers the dire reality: there's no running water, no doctor, no high school, and many of the village elders are stealing the town's funds. To make matters worse, her uncle (the late king) sits in a morgue awaiting a proper funeral in the royal palace, which is in ruins. Peggy's first two years as king of Otuam unfold in a way that is stranger than fiction. In the end, a deeply traditional African town is uplifted by the ambitions of its decidedly modern female king, and Peggy is herself transformed, from an ordinary secretary to the heart and hope of her community.
