LIVE THE LITURGY INSPIRATION FOR THE WEEK

To stand in the presence of God is to stand in the presence of incomprehensible mystery. We are people of proofs and facts. With good reason, we are becoming more doubtful of what presents itself to us, as technology makes it easy to fabricate false images and distort what is actually true. What we think is real actually may not be. We become skeptical. Does this skepticism affect our relationship with God? To have faith in God means that we must be willing to trust in the absence of full knowledge. To know the mind of God means we would know God himself, and that is impossible. To acknowledge Jesus as the Christ means we acknowledge that the reality and presence of an incarnate God has a fundamental claim on who we are. When we name this truth, we participate in a depth of knowledge that stretches us far beyond the scope of our minds. It brings us to silence, which is the only way to touch our soul.

Kindergarten through 12th grade

Prayer Against COVID

Lord Jesus Christ, our Divine physician,
we ask you to guard and protect us
from Coronavirus COVID-19 and
all serious illness.

For all that have died from it,
have mercy; for those that are ill now,
bring healing.

For those searching for a remedy,
enlighten them; for medical caregivers
helping the sick, strengthen
and shield them.

For those working to contain the spread,
grant them success;
for the afraid, grant peace.

May your precious blood be our defense
and salvation. By your grace, may you
turn the evil of disease into moments of
consolation and hope.

May we always fear the contagion of sin
more than any illness. We abandon
ourselves to your infinite mercy.

Amen. *By Pedro de la Cruz*

Church open for Private Prayer:

ACT OF SPIRITUAL COMMUNION

My Jesus,
I believe that You
are present in the Most Holy Sacrament.
I love You above all things,
and I desire to receive You into my soul.
Since I cannot at this moment

I embrace You as if You were already there
and unite myself wholly to You.
Never permit me to be separated from You.
Amen.

CATECHETICAL SUNDAY – A WONDERFUL OPPORTUNITY TO SHARE OUR STORIES

I received from the Lord what I also handed on to you

By virtue of our Baptism, we are called to witness the Gospel. We share the Love of Christ in abundant ways, especially during this time of isolation, there are many who witness what they have received every day.

***Do you have a story about how you received from the Lord
hope, love, faith in this time of questions and mystery?***

This year we would like to share some stories of our parishioners who have received from the Lord and handed the blessing on in their unique way. Please take time to reflect.

Consider sharing your story by email to: adultfaith@resurrectionch.org.

We will be happy to listen! God is near and connects in surprising ways!

GOSPEL MEDITATION

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

The only way to know God is to love God. Our minds will never fully grasp the mystery of God, but our hearts and souls can learn to love the mystery. Years ago, when life had a more innocent quality to it, we believed what we were told or witnessed, unless there was direct evidence otherwise. This was especially true if the information came from someone in authority. In a sense, we were a bit more gullible on one hand but also more trusting on the other. The latter is an admirable quality that sadly can be eroded when we realize we have been duped. With education and technological advances, we find ourselves more skeptical and less likely to too quickly accept and believe what we see and hear.

For all of the good that social media can do, it can also easily distort reality and truth. Photoshop and a myriad other technological truths can add to, fabricate, and make even the non-existent seem real. It is amazing. How far do we allow this obviously justifiable skepticism to take us? Questioning and doubting are healthy elements of any good relationship as long as we don't allow them to turn us away from a deeper experience of love and encounter. If we cannot get our minds around something or empirically justify or prove it, we tend to declare it a hoax, untrue, or

unauthentic and walk away. The very same trust that can quickly be eroded is exactly what is essential for all of our relationships, especially our relationship with God. With all things and people that make a profound claim on us, we have to trust in the absence of knowledge. Full self-investment involves plunging completely into the unknown!

Simon Peter said to Jesus, "You are the Christ, the Son of the Living God." Peter came to this knowledge, which is not "head knowledge" because of the relationship he shared with Jesus and what God was able to reveal in and through that relationship. Peter simply "knew" because of love that this is who Jesus really is. The silent exchange of love between friends,

and not an intellectual exercise of the mind, brought Peter to this place. When we stop and think about it, there are many things in life that we simply know but do not completely understand. When someone sacrifices their own well-being for another, it may not make intellectual sense when examined. But it makes a world of sense when it is carried out. The vastness of reality and an encounter with incomprehensible mystery all lead us to profound silence where we simply know something to be true. Have you trusted enough to allow your relationship with God to bring you to this place or are you still too skeptical?
