Remember in Your Prayers

ALL THOSE AFFECTED BY THE CORONAVIRUS
THROUGHOUT THE WORLD

Prayer Against COVID

Lord Jesus Christ, our Divine physician,
we ask you to guard and protect us
from Coronavirus COVID-19 and
all serious illness.

For all that have died from it,
have mercy; for those that are ill now,
bring healing.

For those searching for a remedy,
enlighten them; for medical caregivers
helping the sick, strengthen
and shield them.

For those working to contain the spread,
grant them success;
for the afraid, grant peace.

May your precious blood be our defense
and salvation. By your grace, may you
turn the evil of disease into moments of
consolation and hope.

May we always fear the contagion of sin
more than any illness. We abandon
ourselves to your infinite mercy.

Amen. *By Pedro de la Cruz*

Church open for Private Prayer:

An Act of Spiritual Communion

My Jesus,
I believe that You are present in the
Most Holy Sacrament.
I love You above all things,
and I desire to receive You into my soul.
Since I cannot at this moment receive You sacramentally,
come at least spiritually into my heart. I embrace You as if You
were already there and unite myself wholly to You.
Never permit me to be separated from You.

Amen.

**Obligation to attend Sunday mass
is dispensed until November 1, 2020.**

For the safety and protection of all:

My Dear Brothers and Sisters in Christ,

During the month of September, as Holy Mother Church devotionally commemorates Our Lady of Sorrows, allow me to express my ongoing concern for the wellbeing of the Faithful of the Diocese of Venice. Through the intercession of the Blessed Virgin Mary, may you and your family be uplifted in hope as together we face the challenges of the Covid-19 Pandemic.

Subtle signs of hope are emerging. For example, our Catholic Schools were able to open. The Clergy and Faithful of the Diocese have done commendable work in promoting safety. As a result, Church attendance is gradually improving. More of the Faithful, feeling the urgent need for the Holy Eucharist, have decided it is safe to return to worship in person. With your fellow citizens, you are adjusting to safety measures as you shop, return to restaurants, and resume much of your normal activities. Data about the Coronavirus, while not indicating the threat is over, appears to be slowly moving in a positive direction.

There is still a need to protect those most at risk, persons in convalescent homes or with serious health conditions as well as the elderly. For this reason, after consultation, the dispensation given to all the Faithful, from the obligation to attend Sunday Mass, will be extended in the Diocese of Venice until All Saints Day, November 1, 2020. Also, live streaming of the Mass will continue during this time.

The continuation of this extraordinary measure allows those who are sick to feel comfortable staying home as well as helps the vulnerable avoid the risk of larger gatherings. It is hoped that those who are healthy and involved in other activities while observing the necessary precautions will, despite the dispensation, return to their Parishes for Sunday Mass. Our Parishes are safely celebrating the Holy Eucharist with a congregation. If necessary, Parishes could adjust Mass schedules to allow for the observance of Covid-19 protocols and safely accommodate those who wish to attend Sunday Mass. As Catholics, our worship is not an individual exercise. Rather, it is the way of experiencing communion with God and unity with our brothers and sisters.

Please remember the importance of being united in prayer. Your prayers bring needed comfort to those affected by Covid-19 and inspire you to practice the virtues of Faith, Hope, and Love. Through prayer we manifest empathy and show solidarity with all who are engaged in a physical or spiritual battle with the Coronavirus.

Your understanding and cooperation in these matters has been greatly appreciated. Let us continue to remain safe, observe the protocols about face-coverings, carefully wash hands, and maintain safe distances. In addition, you are encouraged to extend a helping hand to your neighbors in need of hope or healing. No doubt, there are challenging times ahead. Still, we can face these days with faith and courage because Our Lord is with us, and Our Lady and the Saints intercede for us. Be assured of my prayer for the wellbeing of the Faithful, as well as the prayers of our Priests. May God bless and protect you and your family.

Sincerely yours in Christ,

+ *Frank J. Dewane*

CATECHETICAL SUNDAY – A WONDERFUL OPPORTUNITY TO SHARE OUR STORIES

I received from the Lord what I also handed on to you

By virtue of our Baptism, we are called to witness the Gospel. We share the Love of Christ in abundant ways, especially during this time of isolation, there are many who witness what they have received every day.

***Do you have a story about how you received from the Lord
hope, love, faith in this time of questions and mystery?***

This year we would like to share some stories of our parishioners who have received from the Lord and handed the blessing on in their unique way. Please take time to reflect.

Consider sharing your story by email to: adultfaith@resurrectionch.org.

We will be happy to listen! God is near and connects in surprising ways!

ALL STORIES NEED TO BE IN BY SEPTEMBER 10, 2020

Catechetical Sunday is September 20th

THE BLESSING OF THE COMMUNITY

I have been blessed to be a member of my parish community for 28 years. For much of that time I was serving as a member of the parish staff, but it was still the community that I call home. I have been fortunate to be able to remain in that parish even as my life has encountered new chapters and callings. I am so grateful to God that I have been able to grow, be nourished, and find companionship in a parish for this long of a time.

It is a natural tendency for human beings to desire belonging to something bigger than themselves. Not everyone is fortunate enough to find the community, big or small, that fulfills that need. Unfortunately, that means that

many communities suffer from not having the benefit of the gifts, skills, and talents that any member can offer. Communities are in many ways living organisms that move and breathe based upon the individuals who form that body. A community is truly the sum of its parts.

Your parish community reflects you and everyone else in that community. The more each member gives to the community, the stronger that community finds itself. If you hold back, your community suffers, and you gain little. I know firsthand what being a part of a community can mean to a person. I would be no one at all – and you would not be reading this – if it weren't for the life I have had in my parish community.

LIVE THE LITURGY

INSPIRATION FOR THE WEEK

It is not easy to confront someone who has wronged or hurt us. But it is absolutely necessary to do so in order for reconciliation to occur. We are taught to mind our own business and keep our thoughts to ourselves. When we have been hurt or wronged and we do not acknowledge and give voice to it, those feelings of hurt remain in our hearts and can eventually turn into anger. Verbalizing our feelings can diffuse them, and communicating how we actually feel brings honesty to our relationships. This is the only way that the path of love can remain open and that integrity and mutual respect can be maintained. It is no wonder that Jesus absolutely insisted upon healthy and compassionate confrontation. People don't always realize that they are doing harm. Bringing this to light is not only good for the one who is hurt but for the one who caused the pain. The new insight and revelation may prevent the action from being repeated again.

Dear Brothers and Sisters in Christ,

The Catholic University of America is unique among universities in the United States, as the national university of the Catholic Church, founded by the Bishops of this country. Nearly one third of all the U.S. Bishops, Archbishops, and Cardinals in our country are alumni, along with over 12,000 priests and religious from around the world. In Washington, D.C., the University provides an education based in Catholic intellectual tradition to almost 7,000 students.

Catholic University has instituted an initiative called the "Catholic Project" as a way to bring Clergy and the laity together to develop concrete solutions to the crisis in our Church today. The Project aims to assure that no survivor of abuse is forgotten; that new measures of accountability for bishops and new structures promoting lay leadership are proposed.

The University has a long history of producing both lay and religious leaders and is uniquely positioned to lead in this moment. It has undertaken the mission to discover, preserve and impart the truth in all its forms. Both continuing reflection and world-class research in its disciplines and facilities are provided by the University.

In support of these efforts,
**the Diocese of Venice will take up the
 collection for the Catholic University of America
 on September 12 and 13, 2020.**

Your contributions strengthen the work of our top scholars, many of whom help to explain Catholic social teaching to the rest of the world. Thank you for supporting America's Catholic University, the next generation of leadership for our Church and country!

This opportunity is taken to extend to you, the assurances of my continued consideration, as well as my prayers for you and your family.

Sincerely in Christ,

+Frank J. Dewane
