## Holy Angels Educational Endowment

The Holy Angels Educational Endowment was chartered in 1997 to ensure the long-term financial stability of educational programs including the school, religious education, youth programs and RCIA.

To date, there have been over 900 donors including individuals, groups, event fundraising, matching gifts, and other donations and pledges. A board of trustees meets regularly to review the status of the fund and based on the charter determine what earnings, if any, will be used.

Please remember in your prayers these generous donors that have worked hard to ensure the continued stability of our educational needs at Holy Angels. For more info, please call the parish office.

## Building a strong parent-teen relationship

As pandemic lockdowns continue, parents and teenage children are spending more and more time together. It is not always easy to connect with teens, because they often feel their parents do not understand them and prefer to confide in their friends instead. Nevertheless, the time at home offers an opportunity for parent-teen relationships to evolve and for trust to grow in developmentally appropriate ways. Teens need the guidance and support of a parent as an important balance to the permissive understanding of a "friendship" relationship. As children become teenagers, parental authority does not diminish but may be better served by involving the teens in a dialogue about rules and limits. For more information on building relationships with your teenagers, visit [lacatholics.org/did-you-know/](http://lacatholics.org/did-you-know/).

### Choirs of Angels Memorial Society

A beautiful and very traditional Catholic way to remember and honor our loved ones is to have a Mass offered for them. In this way those dear to us, whether living or deceased, share in the infinite graces of the Holy Sacrifice offered for their intentions or for the repose of their soul.

In addition, we can now enroll our loved ones in the "Choirs of Angels Memorial Society." Those enrolled share in the spiritual benefits of all Masses celebrated at Holy Angels; in addition, a special Mass is celebrated annually for all those enrolled. A beautifully inscribed folder is presented for each member. A donation of \$100 or more is requested. To enroll someone in our Choirs of Angels, please call the rectory office **626-447-1671**

## A Way to Give / A Way to Receive

As we approach year-end, you may wish to note the following tax information as you consider additional charitable contributions to Holy Angels Church.

### Non-Itemizers Charitable Contribution Deduction

Previously, charitable contributions could only be deducted if taxpayers itemized their deductions. However, taxpayers who do not itemize deductions may take a charitable deduction of up to \$300 for cash contributions made in 2020 to qualifying organizations. The law changed in this area due to the Coronavirus Aid, Relief, and Economic Security Act.

### Temporary Suspension of Limits on Charitable Deductions

Individuals who itemize their deductions may deduct cash contributions made in 2020 to a qualifying organization up to 100% of their adjusted gross income. Previously, the amount of charitable cash contributions taxpayers could deduct on Schedule A as an itemized deduction was limited to 60% of adjusted gross income.

### IRA Charitable Transfers

Although Required Minimum Distributions (RMDs) from Individual Retirement Accounts (IRAs) are waived for the tax year 2020, IRA charitable transfers to a qualified organization may still be made without recognizing the distribution as taxable. The distribution must be from an IRA owned by an individual who is age 70 1/2 or over that is paid directly from the IRA to a qualified charity.

This is intended to provide general guidance and is not intended to be tax or legal advice. Please consult with your tax advisor concerning special rules and limitations that may impact your particular set of facts.

### LIVE THE LITURGY

#### Inspiration for the week

We have often heard it said that God is always calling but we are not always listening. It is not only that we are not listening, but that we are not familiar enough with God to even recognize that it is God who is calling! We can easily mistake God's voice for someone or something else and miss some profound opportunities for connection. We have to train our minds, hearts, and souls to specifically listen for the voice of God. It is a voice that draws us to deeper places, leading us to moments of grace and more profound God awareness. To look at Jesus and be able to say, "Behold, the Lamb of God," means that I know something special about this person whom others know as simply a man. I will become more attentive and receptive when he says, "Come, and you will see." I may even be more willing to set aside what I am doing and actually go.

*The time is  
always right  
to do what  
is right.*

— DR. MARTIN LUTHER KING, JR.

### FIRST READING

When Samuel went to sleep in his place, the LORD came and revealed his presence, calling out as before, "Samuel, Samuel!" Samuel answered, "Speak, for your servant is listening." (1 Sm 3:9-10)

### PSALM

Here am I, Lord; I come to do your will. (Ps 40)

### SECOND READING

Do you not know that your bodies are members of Christ?  
But whoever is joined to the Lord becomes one Spirit with him. (1 Cor 6:15, 17)

### GOSPEL

So they went and saw where Jesus was staying, and they stayed with him that day. (Jn 1:39)

*Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD. The English translation of Psalm Responses from Lectionary for Mass © 1969, 1981, 1997, International Commission on English in the Liturgy Corporation. All rights reserved.*

## WORSHIP & MEDITATION

### GOSPEL MEDITATION

#### Encourage Deeper Understanding of Scripture

Our faith is not just about ideas. It's really about having an encounter with God and, in particular, the Risen Christ! Once we give ourselves over to the notion of God's presence, we have to train ourselves to listen for God's voice and be attentive to God's call. Having companions on our faith journeys is so incredibly important as they can help us fine-tune our listening skills and discern God's voice from others we may be hearing. Faith is all about having these profound encounters not only with God but with our brothers and sisters, and creation itself. Anyone or anything that is alive with God's presence becomes an occasion for God to speak and call us to deeper graces and experiences. "Come, and you will see."

The example and teaching of Jesus, the lives of the saints, those living among us and those glorified in heaven, and the wonder and beauty of creation can all serve to help us listen more clearly and assist in positioning ourselves for this profound God meeting. It is an encounter that can quickly and easily lead to a friendship and intimate intertwining of our souls to their Maker, making a claim on us like no other. Then, the Word of God moves from being just a body of ideas to something we simply accept and do. The person of Jesus Christ swiftly moves from being just a good prophet in word and deed to the incarnate presence of God Himself, the Lamb of God. The voice leads us to the Person behind it.

The Gospel is hard to follow. We can intellectually debate whether what Jesus said is really what we are asked to do. The Gospel ideas do not always make sense in our practical, secular world. The person of God always does. We can debate the practicality and sense of ideas and doing so often keeps the more difficult ones at a safe distance away from us. Jesus said to love our enemy, but we really don't need to do that, our minds try to convince us. It just doesn't make sense. Yet, if we are truly in love with the God who is behind the voice of those words, they make perfect sense. Our deep and intimate love of this God would even find us laying down our lives for Him if necessary. Speak Lord, your servant is listening.

**WHY IS IT**  
A man wakes up after sleeping  
under an ADVERTISED blanket  
on an ADVERTISED mattress  
and pulls off ADVERTISED pajamas  
bathes in an ADVERTISED shower  
shaves with an ADVERTISED razor  
brushes his teeth  
with ADVERTISED toothpaste  
washes with ADVERTISED soap  
puts on ADVERTISED clothes  
drinks a cup  
of ADVERTISED coffee  
drives to work  
in an ADVERTISED car  
and then . . .  
refuses to ADVERTISE  
believing it doesn't pay.  
Later if business is poor  
he ADVERTISES it for sale.
