

PRAYER IN TIME OF PANDEMIC

O, God of Love, you care for us.
difficult times you walk with us,
impossible times you carry us.
In this new time of struggle and pain,
our eyes to the love around us,
the kindness of friend and stranger alike,
the daily gifts you surprise us with.
Open our hearts to the world inside,
world around,
world above;
of us a mirror of your love.
Let every tear we see, every cry we hear
a personal call to reach beyond ourselves,
feel the pain in the heart of the other,
disregard all distances and differences
recognize only the sister, the brother in need.
In the sick and the dying, the lonely, the grieving,
depressed and the desperate, the fearful, the hurting,
suddenly not working
those suddenly working too much,
we see our own face, and in it find yours.
Show your presence through our presence;
with our lips,
with our hearts;
out your helping hand by inspiring us to open ours.
Give strength to those who strengthen others,
to those who calm the fearful,
to those whose gentle spirit
the inconsolable while breaking under the weight of unshed tears.

Continued on next page

Bestow wisdom on those who seek to protect from harm,
and on those laboring tirelessly to find a cure.
Enlighten those who choose to deny
the reality of the danger
or the reality of your love,
those who put their own perceived loss of "rights" or "freedoms"
ahead of the rights of others to live,
those who cannot see beyond the inconvenience of a mask
because they cannot see beyond themselves.
May carelessness give way to caring,
self-centeredness to self-sacrifice,
darkness to the light that only you can give.
Move our hearts to absorb the lessons, the wakeup call
wrapped in the package of pandemic:
absent the distractions we thought so vital,
help us rediscover the essentials we had long forgotten;
absent the buildings of brick and stone, help us build temples of spirit
and persons;
absent the great manmade indoors, show us the greater God-made
outdoors;
absent the parties, let us rediscover the connections;
absent the noise, let us finally hear your voice;
absent the crowds, let us discover ourselves.
And when we emerge from this plague, as emerge we shall,
may we not hurry back to what we have moved beyond,
nor forget the connection, the vision, the recovery of the forgotten,
the gift of growth you have hidden in the pain;
But may we look at the world and look at ourselves
in the new light you have given,
feel the renewed bond with each sister and brother,
and know intensely the Love that is you!

How parents can help fight against sex trafficking

Sex trafficking is a serious threat in the U.S. and around the world. Parents can make a difference in their families and in their communities by educating themselves and their children. Know the signs of trafficking or abuse, including changes in behavior, nightmares, anxiety, and self-destructive behavior. Fostering trust and communication between parents and children is crucial to protecting them from exploitation. To read more from the VIRTUS® article "Sex trafficking: What we can do to help," visit

ANGELS STRONG Benefit 2021

Dear Holy Angels Families,

On March 13, 2020 our school closed its doors based on the Safer at Home order for the COVID 19 pandemic. The following day, Holy Angels staff arrived at school and spent the entire day planning and organizing materials and technology for students to pick up in order to continue their learning virtually. By Sunday, families came and picked up their materials and by Tuesday, students were able to be online learning, only losing 2 days of schooling. Back in business virtually, our teacher delivered the rigor and instruction we expect, all the while inventing new and engaging family drive thru and virtual community building events.

Behind the scenes, our team went into full health and safety preparation: our mission was to be able to get our students back in the building as soon as we received clearance.

Perhaps even more significant, Holy Angels School has been able to financially assist more families than ever. This pandemic has put numerous school families in a vulnerable position, threatening their ability to financially sustain the gift of Catholic education for their children.

Being able to fulfill the mission of our parish ministry is a labor of love, and the goal of our community is to work towards sustaining staff, helping families in need, and growing our student population to further share Christ's message of love. We are calling all angels willing support this mission in the spirit of the Catholic Social Teachings - Call to Family, Community and Participation.

Please join us virtually March 13th for an evening of giving at the first ever Angels Strong Benefit 2021. This is our time to reflect and give thanks. Our virtual event promises family testimony, touching tributes, levity, and some familiar voices.

Ticket packages offer options to enhance your viewing experience, which include delicious and commemorative items you are sure to treasure for years to come. Best of all, with each level up you have increasingly more chances to be the NEXT ULTIMATE ANGEL!

We look forward to celebrating all that we have accomplished so far, and all that we STILL have yet to do, which your generous contributions will ensure.

With Gratitude,

Aimee Dyrek

In fact we aren't even running a contest or anything this time around, it's just for those of us that can't resist chocolate. No need to register your children, all of us will use the same Holy Angels storefront.

In order for candy to arrive in time for Easter, all orders must be placed by March 19th.

Again, totally optional, there is no obligation to participate...Unless those peanut butter eggs are calling your name. Click here to start shopping.

Thank you for your support!

Holy Angels School News

On March 13th, 2020, Holy Angels and all schools as we know it changed dramatically. In person school became virtual at home school. As we entered the 2021 school year in September with so many uncertainties about students returning to school, we were proud and blessed to be able to welcome our littlest Pre-K Angels back to in-person learning. Two months later, after being one of the first private Catholic schools to receive the TK-2nd waiver, we were able to welcome more students back on campus in November. This past week, Holy Angels was overjoyed to welcome our 3rd through 6th grade students back on campus! Although school looks different and we have to stay socially distant, one thing has remained the same, the commitment to educate children in a faith filled environment that is academically strong and infused with Catholic values, proving that we are AngelsStrong!

Holy Angels School serves students from Pre-K - 8th grade.

If you would like more information regarding our school or are interested in touring the campus, please contact us at (626) 447-6312 or email Office@holyangelsarcadia.org

PALM SUNDAY

March 28

Palms will be distributed at the Sunday Communion Line and at the 2pm Mass on March 28th.

Choirs of Angels Memorial Society

A beautiful and very traditional Catholic way to remember and honor our loved ones is to have a Mass offered for them. In this way those dear to us, whether living or deceased, share in the infinite graces of the Holy Sacrifice offered for their intentions or for the repose of their soul.

In addition, we can now enroll our loved ones in the "Choirs of Angels Memorial Society." Those enrolled share in the spiritual benefits of all Masses celebrated at Holy Angels; in addition, a special Mass is celebrated annually for all those enrolled. A beautifully inscribed folder is presented for each member. A donation of \$100 or more is requested. To enroll someone in our Choirs of Angels, please call the rectory office
626-447-1671

The Sacrament of Reconciliation (Confession)

Offered every Saturday from 3:30pm until 4:30pm

See posted signs for location. Masks must be worn. Physical distancing protocols must be followed. Penitent must stand for confession. Saturday afternoons will be the only times for confessions.

40 Days For Life Campaigns

The annual "40 Days For Life" campaigns have begun. In addition to praying and fasting for the unborn during this time, you are invited to participate in peaceful vigils and community outreach. There are two local Planned Parenthood clinics where you can attend vigils. One is in Baldwin Park. It's located at 4070 Sterling Way on the corner of Maine Ave. and Sterling Way. Vigil hours are Monday, Thursday, Friday and Saturday from 8:00 a.m. to 5:00 p.m. Tuesday and Wednesday hours are 11:00 a.m. to 7:00 p.m. Please contact Patricia V at 626-260-4358 or Donna C. at 626-297-9922 for additional info.

The second clinic is located at 4786 Peck Road in El Monte, on the corner of Lower Azusa and Peck Roads. Please contact Glendy at 626-756-6934 for vigil hours.

Tax Benefits for Charitable Giving Extended through 2021

On December 27, 2020, legislation was enacted that extended tax benefits for charitable giving through 2021. These special tax benefits were originally set to expire at the end of 2020.

Here is a summary of these benefits:

- Charitable deduction limitations for cash gifts. For 2021, these deductions may again offset up to 100% of your adjusted income. In 2022, the deduction limitation for cash gifts will return to 60%.
- IRA gifts for individuals age 59½ and older. Due to the extension described above, you may withdraw money from your IRA to make cash charitable gifts in 2021 and avoid having to pay taxes on the IRA distribution. This opportunity will not be available in 2022.
- Universal deduction. Individuals may claim a charitable deduction of up to \$300, and married couples filing jointly may claim up to \$600, even without itemizing the deductions.

Thank you to all who have generously donated to Holy Angels at this time and through our Emergency Fund. We understand how hard it is to give right now. Your gifts bring stability and peace of mind that our parish can continue to serve all our parish families.

LIVE THE LITURGY

INSPIRATION FOR THE WEEK

God's messengers always seem to get mocked. They speak a truth that some folks do not want to hear. While on the one hand we admire them, we also are quite happy keeping them at a distance. After all, they are not referring to me but someone else, aren't they? We often wrongly conclude that because we may be more avant-garde, contemporary, politically sensitive, and untraditional, we are somehow more in the light than others. People tend to prefer darkness more than light, even the most spiritually sensitive among us. The light always carries with it the richness of God's mercy and compassion which see beyond ideologies and concepts to relationships that cultivate life, earthly and eternal. Every hand of compassion and mercy extended to a human being must always point back to God. The call always involves ordering our lives in accord with our truth and essence of being. As God never forgets us, we must never forget God. Now is the time to take stock of our infidelity and return to the light, even though it is difficult to look at.

PLEASE CONSIDER ONLINE GIVING

Our parish is grateful for your continued support at this time. Thank you!

4TH SUNDAY OF LENT

SUNDAY'S READINGS

FIRST READING:

Their enemies burnt the house of God,
tore down the walls of Jerusalem,
set all its palaces afire,
and destroyed all its precious objects. (2 Chr 36:19)

PSALM:

Let my tongue be silenced, if I ever forget you! (Ps 137)

SECOND READING:

For we are his handiwork, created in Christ Jesus
for the good works
that God has prepared in advance,
that we should live in them. (Eph 2:10)

GOSPEL:

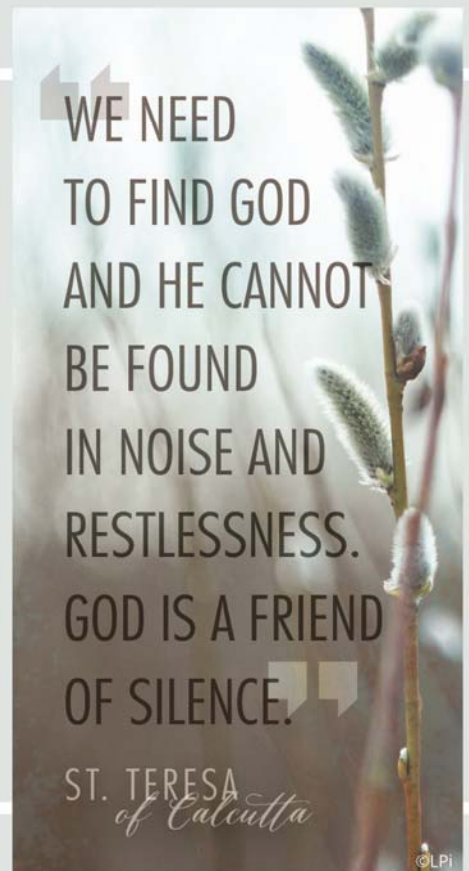

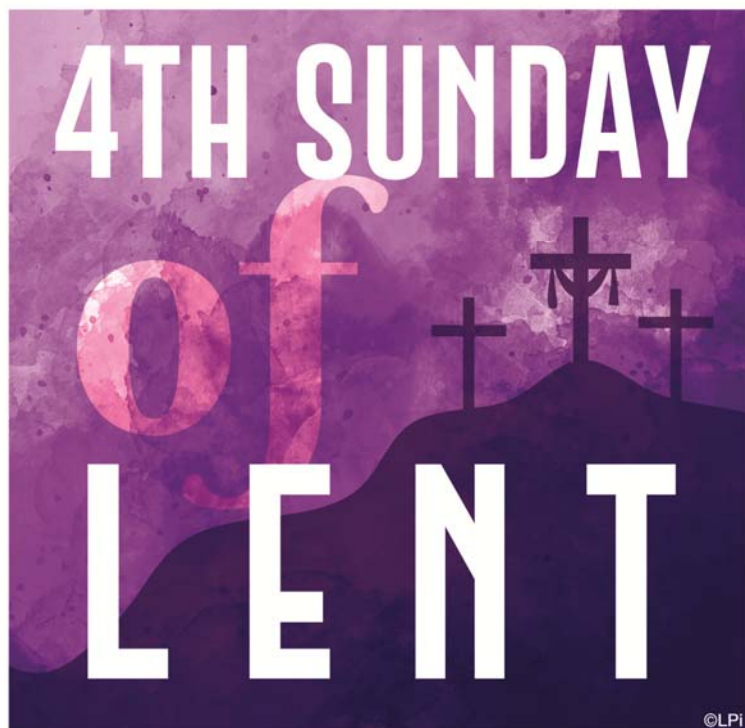

For God so loved the world that he gave his only Son,
so that everyone who believes in him might not perish
but might have eternal life. (Jn 3:16)

Wednesday: St. Patrick, Bishop; St. Patrick's Day
Thursday: St. Cyril of Jerusalem, Bishop and Doctor of the Church
Friday: St. Joseph, Spouse of the Blessed Virgin Mary
Next Sunday: 5th Sunday of Lent

FIRST READING

The author of 2 Chronicles reflects on how historically God's fidelity and mercy was often met with Israel's disobedience and arrogance. How does the Lenten journey provoke an examination of conscience for you and your faith life?

SECOND READING

Paul speaks of our faith and our salvation as "the gift of God" to us. In what ways do you show appreciation for God's grace?

GOSPEL READING

Jesus taught Nicodemus that God sent His only Son into the world to offer eternal life to believers. Who in your life needs to hear this message?
