## DID YOU KNOW?

### Keeping children safe in sports

Every adult has the responsibility to make sports a safe and enjoyable experience for children. Playing sports helps children work on sportsmanship, goal setting, personal responsibility, and emotional control. But sports also include some risks — the potential for physical injury, bullying, hazing, and even abuse. Because sports happen outside of “normal” school hours, there may be less safety checks than there are in school. Parents need to be vigilant in confirming that coaches and volunteers are vetted, and that their children are playing in safe environments. For more information, read the VIRTUS® article “Keeping Youth Safe in Sports” at

## TRICK OR TREAT STROLL

Holy Angels School hosted their second annual Trick or Treat Stroll welcoming Ninja Turtles, Disney princesses, monsters, and superheroes to do some not so spooky trick or treating through the halls of the school. Once the trick or treaters collected their goodies from the classrooms, the fun continued outside where HA families set up cars for trunk or treating and even more goodies! There was a special appearance from the Arcadia Fire Department who passed out candy from their fire truck and even an appearance by our very own "Kevin Bacon." Thank you to everyone who attended this spooktacular event!
