DID YOU KNOW?

Protecting Vulnerable Adults

While a primary focus of those in ministry is on protecting children from harm, protecting vulnerable adults is just as important. This includes adults living with mental, emotional, or physical disabilities, adults who have court-appointed guardians, elderly adults in vulnerable positions, and anyone else who may be unable to consent to or understand what is happening to them. Every year, nearly 500,000 reports of abuse against vulnerable adults are made to the Adult Protection Service, and even more go undetected. The same steps and processes outlined for protecting children can help vulnerable adults as well — know the warning signs, screen all employees and caregivers, and monitor environments for safe practices. For more information, read the VIRTUS® article "Protecting" Vulnerable Adults" at lacatholics.org/did-you-know.

One of the most important factors in healing from loss is having the support of other people. Even if you aren't comfortable talking about your feelings under normal circumstances, it's important to express them when you're grieving. Sharing your loss makes the burden of grief easier to carry. Holy Angels Bereavement Support is open to all. Our group is loving and confidential. Come and join those who understand what you are going through and want to help.

Holy Angels Helping Hands Project

In cooperation with Foothill Unity Center, Holy Angels Parish is embarking on a year-long giving project to help our community's most vulnerable residents, especially the homeless. Each month, we will donate essential supplies that Foothill Unity can distribute to our neighbors. Drop off your donations in the tall white boxes inside the church.

 Spam · Vienna sausages · Beef stew in microwave bowls · Dry ramen noodle packs · Small fruit cans · Capri juices · Small chips · Applesauce cups · Assorted cheese crackers/individual saltine packs · Mac and cheese bowls

Healthy Habits

As the cold & flu season approaches and COVID cases increase in LA County, let's take care of ourselves and each other. Practice healthy habits like eating well, getting enough sleep and washing your hands. Hand sanitizer is available at the church entrances. Please sanitize your hands when you enter the church. If you have a cough, fever or other symptoms, please stay home. Spread love; not germs.

A message from your Health Ministry Team

FEAST OF ST. FRANCIS Holy Angels welcomed a new set of furry angels to campus on the Feast of St. Francis. The blessing of the animals was led by Father Blaise, a lover of animals and dog owner himself! Students brought everything from dogs, to a cat on leash and even a snake, to school so that they could be blessed. We are happy to report that although they were not the quietest during their blessing, all of the animals got along! We look forward to doing it again next year!
