## FOSTERING STEWARDSHIP

In today's second reading, St. Paul encourages us not to grow weary or lose heart, but to persevere in following Jesus. Our willingness to give of ourselves, even in the face of conflict and division, is one way to measure our discipleship.

### This Week's Stewardship of Time and Talent

We gratefully acknowledge **Jerry Farrugia** who sacrificially shares his Time, Talent and Treasure with the Parish, as an offertory counter and head of the Italian Catholic Federation. We thank you **Jerry!!**

Last Sunday, Jesus reminded us: “Take care to guard against all greed, for though one may be rich, one’s life does not consist of possessions.” The parable of the rich man urges us to look beyond what we store up and focus on what we share. Discipleship means living generously, with hearts open to God and neighbor.

In this Jubilee Year of grace and renewal, we are called to bring Christ’s love to life—especially in parishes and schools facing financial hardship. A gift to Together in Mission is more than support; it’s a witness to faith and unity.

Today, one in five parishes and one in four Catholic schools rely on Together in Mission to thrive. These are communities seeking hope—and we are the ones who can help open the door. Envelopes can be found in the pews.

**Parish goal: \$102,116 Pledged: \$45,638 (44.7%) Donated: \$36,019 (35.3%)**

Let us persist—not only in prayer, but in action—so that others may receive what truly matters. Together, as the Body of Christ, we build a Church rich in mercy, hope, and love.

**Come, Holy Spirit, and make us one in mission!**

### DID YOU KNOW?

#### Children Back to school safety tips

As your children head back to school, parents should begin laying the groundwork (if they haven't already) for open communication about the school's safety guidelines and policies. Talk to children about safe adults and keep lines of communication open about who they see and interact with, how they feel about their school days, and what they are learning. Remind children regularly that they should find a safe adult if they ever feel unsafe or uncomfortable in any situation. For more tips, read "Talking to Kids About Safety and Boundaries for Back to School" by visiting <https://parequirements.com/blog/talking-to-kids-about-safety-and-boundaries-for-back-to-school>.

## Solar Carport Project update!!

This week, the construction team continued making strong progress on the solar carport project. Underground work and equipment installation were the focus, with trenching, boring, and concrete/asphalt work completed by Horizon Underground. Meanwhile, the Mesa Solar Team began installing key AC equipment and setting up electric vehicle (EV) chargers—important steps that bring us closer to a fully functional, sustainable energy system.

These infrastructure upgrades lay the groundwork for future features, including clean power generation and accessibility improvements that will benefit our entire parish community.

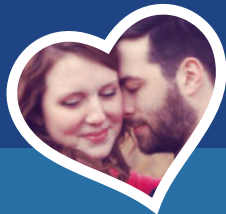

Weekend parking remains expanded—thank you for your continued flexibility! The school grounds are open for use, with only the carport area still fenced off while construction continues. We're so grateful for your patience and support as Holy Angels takes this exciting step toward clean energy and environmental stewardship. If you have any questions, feel free to reach out to the parish office.
