Image Release Form:

From time to time, we may wish to publish images of our students engaging in classroom and other faith formation activities. We do this to highlight our students' activities and accomplishments and to create a sense of community with each other and the rest of our parish family. These photos might appear in our Holy Family bulletin (print and online), on our parish website or social media, or on a parish bulletin board, poster, or brochure. We will not include student names with any photographs, except with the express permission of the parent, as a way to maintain privacy. We treat all images of students as private materials and do not give them to any other organization.

It is the practice of Holy Family to protect all children at all times, including the public use of their image. Should you, as a parent or guardian, desire that your child(ren)'s image NOT be used for Holy Family purposes, you have the opportunity to put your child on our Do Not Photograph list. This will prohibit Holy Family staff members from using images which feature your child. Please know that your child may still be seen in photos with many children, for example, in classroom activities or group photos.

Parents and Guardians: Please carefully read the statements below. Indicate your permission or refusal of permission by signing and dating the appropriate statement.

[ ] **YES**, I give permission to Holy Family Parish to use my child's image for the above-stated use. I understand that both print and electronic media have a large audience and that my child(ren)'s photographic image may have wide distribution.

Diocese of Superior Required Safe Environment Training

Dear Parent or Guardian,

As a parish community, we want to protect children from those who might want to harm them, but no child can be supervised for every moment of the day. The Faith Formation program at Holy Family Catholic Church will be offering training designed to help your child recognize unhealthy relationships, understand age-appropriate ways they can reduce the likelihood of being abused, and become familiar with ways they can get help from others. This training is designed to help your child recognize their value as a person created in the image and likeness of God, deserving of love and respect.

The Diocese of Superior requires all children and youth enrolled in a parish religious education program, including sacramental preparation, to have the opportunity to participate annually in age-appropriate abuse recognition and resistance training. This training is a response to the mandate of the United States Conference of Catholic Bishops *Charter for the Protection of Children and Youth: Promise to Protect, Pledge to Heal* regarding the sexual abuse of children. Parishes in the Diocese of Superior use the *Circle of Grace* curriculum, with the exception of seventh grade students who will cover the topic of human trafficking.

Training for all Holy Family students will take place on Wednesday, November 9th 2022 during their regular class time.

So that we may respect your wishes, please indicate below your permission or refusal for your child(ren) to participate in this training session. It is important for us to have your signed consent or refusal on file. Emailed or phoned responses are not acceptable.

Please note that if we do not receive your express permission or refusal on this form, we will allow your child to participate in the training session on November 9th. If you have any questions, please contact the Director of Religious Education, Margot St. Clare, at (715) 356-6284 ext. 154 or at margot@holyfamilywoodruff.org.

PLEASE INDICATE YOUR CHOICE, SIGN, AND RETURN THIS FORM WITH YOUR REGISTRATION.

[ ] **YES**, I would like my child to participate in the Safe Environment training described above.

[ ] **NO,** I do not want my child to participate in the Safe Environment training described above. I understand that if I refuse to allow my child to participate in this training, I will receive a resource packet from the parish to help me educate my child on these important issues. I also understand that I will be expected to keep my child home on the training date of November 9, 2022.

Volunteer Information:

Are you curious about ways you could be involved with our Faith Formation program at Holy Family? There are so many possibilities! Catechists and classroom aides commit to journeying with our students on a weekly basis from October through May. We also keep a list of substitute classroom volunteers to help in the event that the catechist or classroom aide is ill or unable to attend. No teaching experience or encyclopedic knowledge of doctrine required! A love of the Catholic faith and desire to share that with our Holy Family youth is the most important qualification.

Not able to commit on a weekly basis? There are plenty of other ways to get involved. This could be helping with after school snacks for our younger kids, welcoming families and monitoring the parking lot during drop-off and pick-up, helping catechists prepare materials (making copies, prepping for crafts and special projects), leading small group discussions with middle and high school students, assisting with other one-time events such as Sacrament retreats and special liturgies, or volunteering with Way Café.

Those interested in volunteering agree to complete the Diocese of Superior's Safe Environment Training and Background Check. All training is done online and can be easily completed in roughly an hour.

Interested in volunteering with our program? Please include your name and preferred contact method below and someone will reach out to you regarding your areas of interest and availability.
