# WHO WE ARE...

WE ARE A FRATERNITY UNITED IN CHARITY.

Superior Archdiocese 2019 Family of the Year presentation.

The Knights of Columbus is an international organization of Catholic men. We are founded on the principles of

**Charity** to those in need, **Unity** as a Catholic lay society, **Fraternity** with fellow Knights and **Patriotism**.

Worldwide, we have over 2 million men who provide over \$180M to charities and 70M hours of volunteer services on an annual basis!

During 2019, our local Fr. Dodge Council (founded 1981) donated over \$38K to our church and community — including an ultrasound machine to the New Dawn Pregnancy Resource Center.

Additionally, the Knights of Columbus offers insurance-related products *exclusively* to members and their families. These products carry the highest industry rating for quality and ethical investing.

Knights of Columbus Insurance, is your shield for life!

## LOCAL KNIGHTS IN ACTION

Our Blood Drives typically result in dozens of pints of blood donated.

Our charitable efforts focus on Church, the local Community, our Youth plus members and their families.

Fr. Dodge Council charity efforts consist of a wide range of community-based endeavors. As an example, our monthly Pancake Breakfasts raise money for such local organizations as the Boy Scouts, Lakeland Food Pantry, Marywood Spirituality Center, NATH and a host of others.

A Sunday morning Pancake Breakfast benefited the parish youth group – 175 served!

From monthly events to annual fund raisers, the Knights of Columbus are here to serve!
