

We will be using the Blessed program through Dynamic Catholic for sacrament preparation.

Go to: <https://dynamiccatholic.com/blessed/program-view> (Start with Session 6; there are 7 videos per session).

The program consists of a series of videos and a workbook. Videos are approximately 3 – 5 minutes in length; please sign after your child has watched a video. The videos are intended to reinforce the learning done in the workbook. Please complete both the workbook and the videos concurrently.

Reconciliation: December 7, 2017

The night of your child's first reconciliation is an opportunity for your family to receive the sacrament. You can model the importance of the sacrament by preparing for and attending reconciliation on the same night. It is a wonderful blessing for your child to see the *whole family* engage in their special day.
