Let's Build Community!

We are all called to HOLINESS.

How does your family live this heroic virtue?

The REAP (Retreat Evangelization and Prayer) Team is a Catholic youth retreat ministry of the Archdiocese of Saint Louis, under the Catholic Youth Apostolate.

The REAP team is composed of adults and teenagers who are specially trained to minister the Gospel and God's love to others, particularly young people.

Over the years, the ministry of The REAP Team has expanded to reach young people of all ages - from second graders preparing for their first sacraments, to middle school students, high school teens, parents, Confirmation sponsors, faculty, and staff. REAP will do their best to meet any needs, in and around the Archdiocese of Saint Louis. Since 1989, The REAP Team has served over 265,000 people through nearly 4,000 ministry events. God willing, REAP will continue to serve the St. Louis area for many years to come.

The REAP Team will inspire you to live a life of HOLINESS!

A free will offering will be taken for the retreat.
