Prayer for Life

O Mary, bright dawn of the new world, Mother of the living, to you do we entrust the cause of life:

Look down, O Mother, upon the vast numbers of babies not allowed to be born, of the poor whose lives are made difficult, of men and women who are victims of brutal violence, of the elderly and sick killed by indifference or out of misguided mercy.

Grant that all who believe in your son may proclaim the Gospel of life with honesty and love to the people of our time.

Obtain for them the grace to accept that Gospel as a gift ever new, the joy of celebrating it with gratitude throughout their lives, and the courage to bear witness to it resolutely, in order to build, together with all people of good will, the civilization of truth and love, to the praise and glory of God, the Creator and lover of life.

Prayer to End Abortion

Lord God, I thank You today for the gift of my life, and for the lives of all my brothers and sisters. I know there is nothing that destroys more life than abortion, yet I rejoice that You have conquered death by the Resurrection of Your Son. I am ready to do my part in ending abortion.

Today, I commit myself to life. I promise never to be silent, never to be passive, never to be forgetful of the unborn. I commit myself to be active in the Pro-Life movement, and never to stop defending life until all my brothers and sisters are protected, and our nation once again becomes a nation with liberty and justice, not just for some, but for all.

Through Christ our Lord. Amen
