Compassion Through Christ

September 24, 2025

Dear St. Greg's Parents and Families,

We are ending September with a feeling of accomplishment. We welcomed 179 students to St. Greg's this year, added four new staff members, attended mass as a full school community three times, already had a couple successful community events, are finishing up our first session of MAP testing, rocked our first month of school, and we are gearing up for a very busy October. God is good all the time!

Food Truck Friday Fundraiser

At dismissal time this Friday, September 26, we will have food trucks on our parking lot for our families to enjoy. St. Greg's will receive a portion of the profits to support school programs such as our library, field trips, presentations, and special events. Pick up the kids, dinner, and a treat while supporting our school all in one stop! Please supervise and escort your child to the food trucks to help ensure safety in the parking lot during the event.

Fall Walk Event Canceled

Due to the change in fund matching benefits offered by the archdiocese this year, we have decided to cancel the Catholic Schools Walk which was scheduled for October 10. We will offer other opportunities throughout the year for students to fundraise and earn chances to go to Culvers for lunch or be *Principal for the Day*.

Parking Lot Rules

Please remember that the parking area for school drop-off or pickup is east of the cones. Please do not use the parking area up near the building when students are present. There is a lot of foot

traffic on the west side of the cones during drop-off and pickup, so please avoid that area as much as possible.

Safe Environment Training

As a reminder, all adults who wish to volunteer for school-sponsored activities must attend a Safe Environment training session as mandated by the Archdiocese of Milwaukee. This requirement is necessary for parents who wish to chaperone field trips, participate in classroom activities, or volunteer for school events. A new archdiocesan policy now requires all people who want to distribute candy at Trunk R Treat to be certified. Please follow the link to register for a training session. You can also log into your [CMGConnect](#) account to be sure that your certification has not expired. <https://www.archmil.org/offices/safeguarding/Safeguarding-Events.htm>

Mandatory Parent Teacher Conferences

October 16 and 17 are our mandatory parent-teacher conferences. Conferences will be from 1pm-7pm on Thursday, October 16 and from 7am to 1pm on Friday, October 17. We will post an online sign-up on Monday, October 6 for parents to choose a time to meet with the homeroom teacher. Please remember these conferences are mandatory and students are expected to attend. Please watch your email for sign-up details.

Sincerely,
Amy Schlegel

Cans for Kids

It's time to begin this year's **Cans for Kids** service project!

Please donate your rinsed aluminum cans to support the 8th Grade recycling service project.

Cans can be dropped off before 8:00am on the playground on Monday mornings.

All the money raised from our recycling the cans this year goes toward the 8th Grade end-of-the-year Class Trip.
