Father's Day - 2021

This weekend we celebrate Father's Day. It's a special day and many children will give cards and gifts to dad. Some will have backyard barbecues, others will visit or FaceTime with family and friends. Most importantly, this is a day to say "thank you" to Fathers for all they do.

The role of Father has changed some in these modern times. There is still the traditional role of Father but there are also other male role models who work to become worthy and virtuous Fathers or father-figures. Today we offer our appreciation to each and all, and say THANK YOU.....

- To those who balance the demands of work, and the responsibilities of caring for families and children.
- To those who offer their children love and support, and continue to remain in their children's lives as they grow and mature.
- To those who have adopted children, and whose love and support has nurtured a thriving life.
- To those who have no children, but cherish the next generation as if they were their own.
- To those who have "fathered" children and young adults while serving as teachers, coaches, mentors, and guides.
- To those who have passed away, but live on in our memory and whose love continues to nurture us.

We ask God to bless all Fathers and father-figures for the many times they reflected love, and shared their strength, generosity, wisdom, and mercy, while putting the needs of others above their own convenience and comfort. May their influence and example continue to change their children, their families, and those with whom they live and work, for the better.

Strength of a Mountain

*God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,
The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight,
The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,
Then God combined these qualities,
When there was nothing more to add,
He knew His masterpiece was complete,
And so, He called it ... Dad
