Ephesians was one of the most widely circulated of St. Paul's writings because of its powerful, practical instructions for disciples of Christ. In fact, its six short chapters contain some of the most discussed passages in the New Testament.

The *Ephesians: Discover Your Inheritance* study examines several much-discussed themes in today's Christian culture and society—the nature of marriage, the purpose and role of the Church, the preeminence of grace in God's plan, and the reality of spiritual warfare.

In this 8-session program, presenter [Jeff Cavins](#) explores what Paul's letter to the Ephesians tells us about the nature of the Church—as a body, as a household, as a mystery, as a communion, as a bride, and as an army. *Ephesians: Discover Your Inheritance* shows the treasures that await us as adopted sons and daughters in the family of God.

Many people want to read the Bible because they know it is God's Word but give up because it is so complicated. The *Unlocking the Mystery of the Bible* study program helps you to get the "big picture" of the Bible by showing how fourteen narrative books of the Bible tell the complete story from Adam and Eve to Christ and the Church.

In this study, presenter [Jeff Cavins](#) will show you how to read the Bible so that you can actually understand it. Aided by a unique color-coded *Bible Timeline*™ Chart that arranges the key people, places, and events of Scripture in chronological order, *Unlocking the Mystery of the Bible* will help you discover the story of salvation history and understand how you fit into God's plan.

The 8-session program includes video presentations that explore the twelve time periods of *The Bible Timeline* Chart.
