

# ATTENTION MARRIED COUPLES!

## Love Never Fails...but living marriage day to day can have its challenges...

Come **gather** with us-- **CONVERSE** with your spouse AND **connect** with other couples. **Share** what you have learned along the way and **LISTEN** to others share their learned wisdom. Whether you have been married a few years or a few decades, no matter if your marriage is practically perfect in every way or could be slightly improved, **please join us**. Contact Debbie Chester at 208-344-8311 or [dchester@sacredheartboise.org](mailto:dchester@sacredheartboise.org).

**Monday Evenings**  
**June 3rd, 10th, 17th**  
**7-8:30 in Faith Hall.**

Babysitting is available, but must RSVP ahead of time.
