The safety and well being of every child registered in the Parish School of Religion is a top priority. The Catholic Diocese of Birmingham requires that parents of students enrolled in a Parish School of Religion program be provided Safe Environment Material that will be covered in one class session during the year. This material addresses proper behavior, respect for self as well as others, good touch/bad touch and expectations students should have from peers as well as adults. Proper Classroom Behavior is posted in all PSR classrooms & also discussed during this session. Every adult involved with the Parish School of Religion has been certified in the Youth Protection 1 Program required by the Diocese as well as background checked. Every precaution is taken to ensure a safe environment to learn as well as grow in faith at Holy Infant of Prague Parish.

A Parent signature is required for each student & must be provided for Diocesan Audit
