

Building for Community Update

March 2018

Thank you to all who have given their time, talent, treasure, and prayers for our building project! It is exciting to see our new building nearing completion, with the soon to be remodeled classrooms and worship space soon to follow.

Fundraising Update: Together, we have nearly \$1,900,000 committed to the project! This total includes pledges of \$1,620,000 and parish savings of \$280,000. Furthermore, the payment total received on our pledges stands at \$1,135,000. This broad support by our faith community is a testament to the faith we nurture at St. Patrick's.

What is left to do? As we finalize plans for the remodeling of the church worship space, we really want to include new pews in the project. In order to do this, we need to raise an additional \$130,000 in pledges by April 15, so that new pews can be ordered in advance of the August renovations. With 56 pews in the church, that breaks down to around \$2,300 per pew.

Would you be willing to make an additional commitment to allow us to update our pews? Please fill in the form below and return to the St. Patrick office at 1001 9th Ave S, Clear Lake, IA 50428.

I/We would like to help the parish of St. Patrick complete all church renovations, including the replacement of the pews. Record my pledge as follows:

- Full pew for \$2,300 x ____ (# of pews)
- Half Pew for \$1,150
- Other: please accept my donation toward this project: _____ (amount enclosed)

Name _____

Address _____

City _____ State _____ Zip _____

Please return by April 15. Thank You!
