### **Reflection Paper**

**Directions: Read over the following statements. Please use one or more of these as a guide to compose a short essay on your service experience**

1. List the name and mission of your agency and briefly explain your community service work there.
2. Describe the most rewarding experience you had doing this service.
3. Describe the most frustrating experience you encountered during your service project.
4. What was the best lesson you learned from your community service?
5. What advice would you give to someone who is about to begin doing community service?
6. What was your biggest surprise about doing community service? How did the reality of doing community service differ from your expectations?
7. Has your attitude about community service changed from your initial perspective?
8. Has your life been enriched by this experience and will you continue to volunteer your time and talents in the future?

Note: Please use the above reflection questions as a guide. Please turn in with your signed commitment paper and reflection to your Religious Ed teacher by March 29, 2020
