Stay in your car as Father prays and offers a general blessing, followed by a sprinkling of Holy Water on each car.

Alleluia! This just in...

HOLY COMMUNION WILL BE AVAILABLE on Sunday, May 10 following online Masses!

Fr. Eric and Fr. Michael with the deacons will be distributing Communion this Sunday, 5/10/20!

This will follow the 9:00 AM Facebook Live Mass at St. Patrick and the 10:30 AM Online Streaming Mass at Transfiguration. ALL social distance policies must be maintained for the safety of the priest, deacon and all participants.

The following procedures should be followed at St. Patrick:

1. After 9:00 AM Facebook Live Mass park in the parking lot in front of the school.
2. There will be two tables. The first table will have hand sanitizer that each participant must use it before approaching the second table.
3. Fr. Michael and deacon will be located at the second table to distribute Holy Communion. (Fr. Michael and deacon will be wearing a mask and will have hand sanitizer.)
4. Upon receiving Holy Communion, please safely return to your car and you may safely leave the parking lot.

Alternate plans may ensue if the weather is bad on Sunday morning. Still park in the parking lot and directions will be given at that time as to the procedure to receive Holy Communion.

Please note, Mass is still online-only for 5/8/20. The Communion distribution will FOLLOW Masses in the parking lot. Feel free to watch from devices in your cars, or travel to the church parking lot when you are done watching it from elsewhere.

Please continue to refer to www.stpattroy.org and Facebook [@St. Patrick Catholic Church](#) for updates and information.
