

*"A woman cannot remain neutral in the world..
she too is set for the rise and fall of many."
-St. Madeleine Sophie Barat*

Who We Are

His Own was formed by three friends who wanted to combine their love for Jesus, passion for music and desire to proclaim the joy of the feminine heart. In a world where women are exploited, misused, and misguided, we desire that our music and ministry will inspire women to come before the Lord as they are, to encounter His unique love for them, and to be reminded of the eternal measure of their feminine dignity and worth.

KARA KLEIN

Kara, a native of New Orleans, LA, has spent over 10 years traveling the globe, sharing her testimony and music. She has released 5 original albums, won 6 Unity Awards by the United Catholic Music and Video Association, and has appeared on four international television programs. Encountering countless women with the same struggle to find their true identity in Christ lit a fire in her heart to help found His Own, which she hopes will inspire many throughout the world to seek, know and discover the unconditional love of Jesus.

MARIA SPEARS

Maria was born in Kentucky and began singing, playing piano and writing music by the age of six. In college she led worship for venues such as Steubenville conferences and World Youth Days, and traveled internationally playing a variety of genres including jazz, classical, country and classic rock. Maria has always been passionate about health and wellness, and when she discovered the teachings of Saint John Paul the Great's Theology of the Body, she became ever more passionate about sharing the dignity, worth and beauty of the human person.

CHRISTINE SIMPSON

Christine is proud to be one of the few native Nashvillians and the fourth of ten children. After college, she began singing at faith rallies, Youth 2000s, Ignite Your Torch and Glory Nights in Nashville, but felt a call to do a ministry where women would be uplifted, inspired and affirmed in their femininity. Through understanding the gift that we are as women, she felt like she has found a joy to living—and longs to share it!
