St. Peter and Paul Council #10052

June, 2018

Grand Knight Report

Brother Knights,

Thank you to all that were able to help in cleaning up the ditches. If you missed the last ditch clean up there will be another chance to help this fall.

We will be having our district deputy leading the installation of officer's ceremony at our next meeting. If you would like to know more about what officers do or become an officer in our council please do not hesitate to ask questions.

Thanks to all you made our Mother's Day breakfast a success. I have heard the food and fellowship was wonderful.

Our council awarded two \$500 scholarships to seniors from our parish who are enrolled in college. The first recipient is Amelia Fiedler and the second is Zac Zierdan.

The annual parish fall festival is coming up very soon. This is our parishes main fundraiser. If you are able to help in any way please attend one of the festival meetings or contact Mike Sullivan with any questions

Please remember that rosary is offered before each mass on Saturday and Sunday. It would be great to have a strong showing of Knights and their families saying this wonderful prayer to our Lord and our Blessed Mother Mary. I have been sending out text messages to try and let everyone know when and where your help is needed. If you have not been receiving any texts and would like to be included or removed from the message list, please let me know.

Yours in Christ,
James Moore

Message From The Chaplain

Dear Brother Knights,

We have the tendency at times to try to discredit the experience of others when we are intimidated by their lifestyle.

Think about that for a moment. Haven't you ever felt threatened by a close friend or family member who moved to a new level of Christian commitment and began to take his or her Christian faith more seriously?

Maybe she began to talk about her faith more openly. You've not heard this sort of talk from her before and so it scares you. She talks about having and experience of God in her life or about prayers being answered in a clear way.

Or he decides he needs to be more involved with his faith and practicing his faith and so he decides to work in the Salvation Army's soup kitchen or to help build a Habitat for Humanity home. This is so out of character for this man. He talks about seeing Christ in the homeless people that come to the meals he serves. Maybe he even begins to criticize the members of his parish for their lack of Mass attendance and sharing their blessings with the poor.

As Catholic men and members of the Knights of Columbus we are especially called to live and proclaim our faith by our actions and our words. We are called to be active in our faith and not men who "talk the talk" but do not "walk the walk." I encourage and challenge all of you to live your faith to the fullest so that others – family members, fellow Knights and fellow Christians will become more active in their faith. Our example will go a long way in influencing others.

May the peace of Christ be proclaimed by our lives.

Fr. Virg

Insurance Corner: Larry Callahan

Don't Assume You Can't Afford Disability Income Insurance

One of the biggest mistakes you can make regarding disability insurance is to assume you can't afford it or you won't qualify. Before you make that assumption, do some basic research and apply for coverage through the Knights of Columbus. The Order's Income Armor product gives you options that can help you fit this critical protection into your risk management budget.

Here are two ways you can reduce your premium:

1. Choose a two-year or five-year maximum benefit period.

Depending on your age, the best option is probably a policy that pays benefits until you reach age 67. But a two-year or five-year duration benefit period would cover disabilities you might encounter in your working life.

2. Choose a longer elimination period.

An elimination period is the number of days a total disability must exist before benefits begin to accrue. Typical elimination periods are 30, 90, or 180 days. Choosing a longer elimination period lowers the policy's premium. But be sure you have enough set aside in your contingency fund to account for the longer gap.

As your professional insurance agent, risk management is my specialty. Let's talk about how to protect your income, your retirement needs, and your family's financial future.
