

Luminous Mysteries of the Rosary with a Theme of Thanksgiving

As we approach Thanksgiving Day in our nation, we will be focusing on some of the things for which we are grateful.

First Mystery: Baptism of Jesus

As we reflect on this great moment in Jesus life, let us pray this decade in Thanksgiving for the blessing of our Catholic faith and for those who introduced us to Jesus, Mary and Joseph and all things Catholic.

Second Mystery: The Wedding Feast at Cana

Let us thank God for the blessings we enjoy as we live in this nation. As we do this, let us also pray for the healing of division we sadly experience at this time. May Jesus who transformed water into wine at Cana transform the spirit of divisiveness into a spirit of unity.

Third Mystery: Proclamation of the Kingdom

Let us give thanks for the blessing of family. Let us also pray for all those who will be separated from families on Thanksgiving and for all those who are alone this holiday.

Fourth Mystery: The Transfiguration

Let us pray for the blessing of food on our tables this Thanksgiving. We also pray for all who are homeless and without food and all those who will spend time feeding the hungry.

Fifth Mystery: The Eucharist

Let us give thanks for the gift of the Eucharist – a blessing that is very easy to take for granted. Let us pray for Catholics who no longer come to the Eucharist.
