We follow the guidelines put forth by the Diocese of Toledo.

Religious Education incorporates various media, activities, worksheets and dialogue along with our faith traditions of prayer, song and self-awareness. We host these sessions for your child's spiritual and faith development.

I understand and agree that Mass attendance is the initial formation, and parents are the primary catechist of Religious Education.

I have received the calendar for the year and understand it may change. A monthly newsletter will provide all necessary updates via email.
