

TRANSFORMED IN LOVE SCHEDULE

Congratulations on your engagement! For the eight steps to take after becoming engaged, click [here](#). One such step is to participate in a marriage preparation workshop. The workshop we use solely in the Boston Archdiocese is Transformed in Love.

Below is a list of faith communities that host this workshop. While meeting in person is preferred, we understand that some may need a webinar option for the time being. Most host sites offering in-person options can easily switch over to virtual should Covid guidelines tighten. You will be notified if changes occur. Please scroll down for a date/time that works best for you.
