

It is that time of year when we come together as a parish to reach out to those in need. Many lives have been changed due to COVID-19. We are reminded by the values of Catholic Social Teaching...The Common Good, Dignity of the Human Spirit, and Preferential Option for the Poor, of our responsibilities to give a helping hand to those in our community and beyond. Beloved Disciple is a very giving community. In past years you have extended an outpouring of love to support various projects, from the food drive to BeLoved Mercy Ministries. As Outreach coordinator, I am in awe of your generosity, support, and love you freely share. You are true followers of Jesus.

In preparation of Advent and putting up the Angel Tree, I am asking you to please let me know if your family could use some extra support. Feel free to reach out if you know of a family needing assistance. I would also like to add names of senior citizens that are alone. Obviously, I don't need to know their age.

I was informed by my contact at George Junior that there will be quite a few more boys this year staying on campus for the holidays. Due to COVID - 19, they will not be allowed to leave campus.

Please fill out the insert if you need assistance during the Christmas season. Place your completed form in a sealed envelope and place it in the offering basket with my name or mail it to me by November 22nd.

"The just always lend generously, and their children become a blessing."

Psalm 37:26

Feel free to contact Victoria Wagner at extension 116, if you have any questions.
