

Summer Ministry Schedule/Notes

Thank you for being amazing, and for all you've done to get yourselves, your families and our community through this most difficult and strange time! You are a blessing to me and to St. Matt's, and I'm so grateful for being part of such a wonderful and faith-filled parish family!

This sheet serves as the "ministry schedule" for the summer. With the continued uncertainty of the pandemic, many people are still taking a cautious approach to going out, and for mass attendance. I completely understand and want everyone to be safe and stay healthy. The only ministries that will be "scheduled" are musicians (all summer) and lectors (sparsely) because I just don't have enough people to schedule. Please see your specific ministry area below for details.

Eucharistic Ministers: If you are willing to help with the distribution of Communion, please sing in when you come to church. We will have 4 communion stations, including one in the gathering space. You will be asked to wear your mask not only for mass, but also for the distribution of communion. Please sanitize your hands both before and after you distribute. Thank you so much!!!

Altar Servers: If you are willing to serve for mass, please check in the sacristy to see if anyone else has signed in to serve. If not, please sign in and follow your usual procedures of lighting candles, etc. Please sanitize your hands before mass begins and please wear a mask. Thank you so much!!!

Greeters: Hospitality is one of the great charisms of our parish, and Covid -19 will not disrupt that! If you are willing to serve as a greeter, please check in the sacristy and grab your badge. Please wear a mask and no need to shake hands. Just be a welcoming presence and warm hello as people enter the building. Chairs and pews will be marked for social distancing if people ask as they enter. There will be masks and sanitizer available for folks as they arrive if they wish. Any other questions you have, please feel free to ask me, Ann, or any other parish staff person. Thank you so much!!!

Ushers: If you are willing to help usher for mass, please check in the sacristy and grab your name badge! Please wear a mask. You won't need to do a collection, but please collect the money from the baskets after mass like you usually do. Please just help people find seats socially distanced and be a kind a welcoming presence, just like you always are! Thank you so much!!!

Lectors: If you are willing to lector for mass, please check in the sacristy to see if anyone else has been scheduled or signed in to lector. While I am scheduling a few weekends, please continue to check in each time you are at mass to see if you are needed. If you know you are going to be at mass on a given weekend, please prepare the readings, in the event that you are needed to lector. Thank you so much!!!

Date:	4:30	8:30	10:30
June 13/14	Ann Froelich	John Smith	Julie Massey
June 20/21	Margaret Batchelor	John Gillis	Chuck Mueller
June 27/28	Matt Schueller	open	Brigid Riordan
