

ST MATTHEW
Young Neighbors in Action
Omaha, Nebraska
June 22 – 29, 2019

June 2019 we will be heading to Omaha, Nebraska for a unique week of service learning. Our week will help us respond to Pope Francis' call for a church that discovers Christ by loving and responding to the needs of the poor. Working with other youth from around the country, we'll build community while we focus on the church's Social Teaching.

Sign-up is on a first-come basis for Parish members and past participants. This year's team has room for a total of 18; thirteen youth and five adults.

Your spot is reserved *when we receive your form and your down payment of \$50....* unfortunately no spots can be reserved without form and down payment. The full cost for the trip is approximately \$375 out of pocket.

Participants should be aware that there will be fundraising events, as well as group meetings to prepare they will be expected to participate in as part of meeting the group costs for the trip.

Youth participants must have completed at least their freshman year in high school. Adult chaperones are required to be at least 21 years old, and must undergo a background check and Virtus training.

More information on the YNIA experience can be found on the Young Neighbors website, www.youngneighbors.org
