

ST. MATTHEW  
***Young Neighbors in Action Service Week***  
June 9-13, 2026

Summer service trips have long been a tradition at St. Matthew since the year 2000. Our service week this year will be held June 9-13

The last several years we have used a parish-based model, working in the local community with various service agencies. Serving others is an important component of living our faith, of Living the Eucharist. Our workdays incorporate prayer and reflection on the faith-based reasons we give of ourselves in this way.

Our service week ***includes both middle school and high school students. Students should be entering 7<sup>th</sup> grade or older. We will also need Virtus certified adults*** willing to be part of our team. Registration fee if \$50 for the week

Fill out the form below to register and return to St. Matthew Parish.
